Sec. 205. The Federal policy for addressing California's water supply and environmental issues related to the Bay-Delta shall be consistent with State law, including the co-equal goals of providing a more reliable water supply for the State of California and protecting, restoring, and enhancing the Delta ecosystem. The Secretary of the Interior, the Secretary of Commerce, the Army Corps of Engineers and the Environmental Protection Agency Administrator shall jointly coordinate the efforts of the relevant agencies and work with the State of California and other stakeholders to complete and issue the Bay Delta Conservation Plan Final Environmental Impact Statement no later than February 15, 2013. Nothing herein modifies existing requirements of Federal law.
